TO GIVE BACK; FROM WHAT WE HAVE GOT

News of Key Events and Activities of Meher Roshani Foundation

Since its official inception in September 2011, Meher Roshani Foundation has embraced a wide range of opportunities for people to step in and be part of meaningful change. No one needs to feel despair or wonder, *"What can I possibly do?"* We may not be able to do everything, but each of us can surely do something. That is the spirit of our Foundation and its S3 Initiatives (Social Service for the Soul): to help people tap into their own potential and serve through their Individual Social Responsibility (ISR). We encourage every corporate to expand their CSR into ISR, and to live lives that exemplify love, truth, kindness, inclusion, unity, pluralism, and oneness.

Our monthly donation activities include food, stationery, and other essentials for affiliated NGOs, destitute schools, orphanages, bastis (hutments), and individuals in need—whether for school fee sponsorships, medical support, or general assistance. We also host yearly celebrations such as Children's Day, Diwali, Christmas, New Year, Women's Day, and more.

We invite our clients, students, and patrons to celebrate their own life events—birthdays, anniversaries, and other milestones—by sharing joy with the less fortunate. Families and children are encouraged to join, creating moments of connection and smiles with our underprivileged siblings. For every soul, it is a blessed opportunity to be a Giver, and we express gratitude to the Receivers who grace us with these sacred moments.

From time to time, our activities also include participating in larger causes and donation drives for natural calamities. We have been a small yet humble part of such endeavours during the Nepal Earthquake, Chennai Floods, the fire tragedy at Earth Saviours Foundation, and others.

DECEMBER 2011

Our first Annual Christmas and New Year Party of MRF for the Sneh Sadan children was hosted at the campus of our dear Patron and affiliate Goodwill Partner, Whistling Woods International in Mumbai. Heartfelt thanks to WWI, Meghna Ghai Puri, my angelic sibling Nita Ahuja Varma, her two little angels who joined us, and Om Sunny Bhambani for making the celebration truly special!

From 2012 to 2014, we carried out monthly distributions of grains, stationery, food items, clothes, blankets, and other necessities to St. Catherine's and several other institutions, hutment communities, and individuals in need. We remain deeply grateful to our patrons—Shahnaz F. Jehani, Rohintan and Delnaz Bharucha, and many others—who have continuously supported and contributed to our efforts.

Note from the other NGO:

Dear Friends, we are deeply thankful to Meher Roshani Foundation, our associates, and the partnering NGOs for making the Diwali event for underprivileged children possible. We take this opportunity to especially thank our main sponsors—without whom this celebration would not have been possible—as well as the other generous supporters who helped make the event truly memorable for the children.

The evening began with snacks and refreshments, followed by cultural programs where the children were divided into two groups for easier participation and judging. The competitions were filled with music, dance, poems, jokes, and stories, beautifully presented by the children. Winners were honored with goodies and prizes, adding to the excitement.

After the performances, the children enjoyed a wonderful dinner. To conclude the celebration, each child received gifts including a bag, bedsheets, towel, books, candles, toothpaste, hair oil, soap, sparklers, and flowers—bringing smiles and joy to their hearts.

DECEMBER 2014/JANUARY 2015

We celebrated our Annual Christmas and New Year Party at the campus of our dear Patron and affiliate Goodwill Partner, *Whistling Woods International* in Mumbai. The day was filled with games, gifts, delicious food, and even an animation film for the children. Our heartfelt thanks to everyone at WWI and to our Sparkling Angels—Binoxy Parakh, Ferozie Wadia, Rashmi Uchil, Pallavi Chaudhary, Anita Madhale, Anita and Sangita Chawla, and many others—for their time, support, and generous donations that made this celebration truly special.

APRIL 2015 – Official Launch of PLEDGE YOUR OCCASION

1. Celebrate Your Life Events with the Less Fortunate

In April 2015, Meher Roshani Foundation was blessed to host a beautiful birthday celebration for 53 underprivileged children, sponsored by our sweet angel Sakshi in honour of her son Agnay's 3rd birthday. The day was filled with joy—dancing, games, a delicious cake and snacks, and a magic show that thrilled the little angels. Sakshi's entire family—her husband, mother-in-law, and two children—joined us wholeheartedly, hands-on with all the lovely work. It was truly a delight. The joy of playing and serving God through these children was a profound high. The greatest learning from them was that happiness is truly within us all. Despite their circumstances, these children radiated energy, confidence, and joy—reminding us of Meher Baba's words: *"To be in the world but not of the world."*

2. Prayas kids Summer Camp with Meher Roshani

"When God gives the opportunity to be of service to HIM by being of service to HIS different forms, HE is actually giving us the blessed opportunity to serve ourselves indirectly." — Roshani, April 2015

On 27th April 2015, we were blessed with a day-long workshop for 60 little angels between the ages of 8 and 18. All of them came from less fortunate backgrounds, yet they shone brightly with their dreams and aspirations. Some wished to become scientists, IPS officers, naval officers, doctors, or fashion designers, while one child proudly declared his dream of becoming a driver.

APRIL MAY AND JULY 2015

PLEDGE YOUR OCCASION: In May 2015, our beautiful angel Bhavna Rangnani celebrated her birthday with the lovely children of Prayas Home. In April and July 2015, Meher Roshani Foundation was blessed to host joyful birthday parties sponsored by our patrons in honor of their children's birthdays. One such celebration was organized for 60 children at *McDonald's, Andheri, Mumbai*—a day filled with laughter, games, delicious food, and cherished memories.

AUGUST 2015

We are deeply thankful to our dearest friend and well-wisher, and a great human being, actor and producer, Mr. Tusshar Kapoor, who in the name of, Lord Ganesha and with the blessings of the Goddess Maa Mookambika, donated a loving amount for the various education, food and medical activities for our underprivilege siblings.

NOVEMBER 2015 – Children’s Day and Diwali Party

In India, 14th November is celebrated as Children’s Day on the birth anniversary of Pandit Jawaharlal Nehru. While our loving Children’s Day Party for our sweet angels of heaven takes place annually on this day, we believe that life itself must be celebrated every day—whether it is Mother’s Day, Father’s Day, or Women’s Day. We instill this spirit in all our children, as well as in our support angels—students, clients of Sparkling Angels WHOLEistic Living and Holistic Healing, patrons, and well-wishers—who unfailingly join us in manifesting goodness and joy.

This year, we were blessed to celebrate at the campus of our dear patrons and well-wishers, *Whistling Woods International*, the premium Film and Media Institute in Mumbai. Around 120 joyful, loving, and playful children from our affiliate, Prayas Home, were brought together by bus to the venue. The day was filled with games, a dance competition, a magic show, gifts and prizes, and sumptuous food and desserts.

We always encourage our students to prepare food items themselves or personally bring them for such events, ensuring their loving soul involvement in all that is done. We also nurture the philosophy of inviting families to bring their children to these celebrations—including birthdays—so that they may share their joy with our less fortunate siblings. This practice fosters inclusion, pluralism, and oneness, as children learn to mix, play, and share with equal fervour and joy.

TO GIVE BACK; FROM WHAT WE HAVE GOT

The Day ended with a great movie show of this amazingly spirited film called “The Chillar Party” at the Foundation Hall at the Campus, and with a return gift of a big school bag and lots of other goodies in it for each of the 120 kids. We also always share return gifts for their Teachers and Volunteers.

This all could be possible from our soulful friends, students and patrons. So with the immense love and support from our blessed Samaritan friends our Foundation was able to bring joy love and laughter to 120 hearts of lesser fortunate siblings of our society along with their Teachers and Volunteers, through our Yearly combined Party for Children's Day and Diwali. Our loving friends and students all were involved to give the best for this joyful celebration. The key ones who made this wonderful celebration possible were:

- ♥ Meghna Ghai Puri and the entire team of Whistling Woods for every year giving us our beautiful Campus and facilities to help us make the kids enjoy in the vastness of our amazing space along with a film screening.
- ♥ My darling friend Shahnaz Jehani for the amazing 9 kgs of Chocolate Cake.
- ♥ My dear friend Tusshar Kapoor for his contribution to our Foundation.
- ♥ My friends Poonam and Manish Goel, Anupama and Anup Sharma, Delna and Jamshed Dhamodiwalla, Anupama and Anup Sharma, Kiran Khanna, and Saumya Santosh, for helping us with the transport and the lovely big school bags and take away snack packs for all the kids.
- ♥ My other friends and Angel students Shazneen, Binoxy, Ferozie, Sakshi, Rashmi, Bhavna, Pooja and Anita who contributed, volunteered and also raised contribution for the game prizes and other gifts, making and contributing food and all the fun that the kids had.
- ♥ To the friends of Ferozie and her friend's little child who from his Diwali pocket money contributed a token for these loving kids. A great example of our philosophy of each one can make a difference.
- ♥ My dear Kanchi, Nitin ji, Kiran, Ravi and all other staff of WWI who were there in full support to help and cheer.
- ♥ My house help kids Vishal and Ram and all others who helped and contribute consistently towards our efforts.
- ♥ Lastly a big thank you to Prayas team Amar and his volunteers for bringing together our most important guests due to whom we can be graced to be the Givers - The loving Children.

Seen here are my lovingly devoted to help at all times Angels Ferozie, Binoxy, Sakshi and husband Sandeep, Bhavna, Anita, Rashmi and her little son who was the most enthused player, and helper with the little kids. Thank You God for helping us to do it all and for helping me to entrust everything at your Lotus Feet. May Baba Bless each one to be a blessing for one another and all of Humanity and Creation.

DECEMBER 2015

1. 13th December – Cyclothon Participation

“Footprints on the sands of time are not made by sitting down. Life is a cycle—riding it is the only option, but your balance denotes how well you ride it. Each day is a new creation. So rise and take charge of the unique cycle of your life.” — Roshani, Dec 2015

Meher Roshani Foundation was blessed to participate in this grand Cyclothon, with many children joining in and by gifting a brand-new professional cycle to another slum NGO for its children to use. The initiative was beautifully organized by *The Young Environmentalists Trust of Mumbai* to nurture the habit of cycling, curb pollution, and move towards healthier surroundings. The large-scale event was initiated and driven by the dynamic founder, Elsie Gabriel. It was inspiring to see so many people gathered at 5 a.m. to support the cause. The event featured martial arts, Zumba, and other performances, while honoring great cyclists and record holders. The tireless Mumbai Dabbawalas, who have cycled for over 125 years to deliver food boxes, also participated. It was a joy to meet the humble and enthusiastic Mr. Hiranandani, who excitedly captured moments during the interstitial programs. Hats off to Elsie and her team for such a well-organized and executed event! The day ended with snack pack distributions for our group of children and volunteers, while the cyclist kids received sumptuous snack boxes from Kellogg's, one of the event sponsors. Meher Roshani Foundation was honored with a medal and individual certificates for all child participants. This beautiful, fruitful Sunday was graced with a Baba surprise—meeting my dearest loving Sheetal Meher and friends. Heartfelt thanks to Elsie for this amazing opportunity, and we look forward to

associating with her for more such noble causes. Special gratitude to my angels—Binoxy, Ferozie, Sangita, Bhavna, and Anita Chawla—for contributing towards the gift cycle, and to all others who consistently stand by, ready to help at all times.

2. 25th December – Christmas with street siblings

We had a lovely Christmas celebration with street children and their parents, sharing snack packets that brought them immense joy. Their excitement was contagious, and after taking pictures, one little angel in a pink T-shirt asked me in Hindi if I would put the photos on “WhatsApp” and “Facebook.” That simple question brought a bigger smile to my face than I could bring to theirs. We wished them all a Merry Christmas and a Happy New Year filled with love and blessings. I thank them—and all who come as our loving receivers—for gracing us with these moments and allowing our Foundation to continue working towards its life mission.

4. Individual Social Endeavours

Our ongoing endeavour to motivate towards a holistic viewpoint of existence, our Managing Worker strives to share innovative ways and means to live that life and help people to the same. On one of those lists of things, she wishes to go by this ingenious way of becoming a tree after she moves on from Earth rather than any other religious ways. This is what she shared on the Facebook page of our Foundation on 3rd March 2016.

Roshani Shenazz says; “I would want to sign up and leave behind instructions to move on from this World and become a Tree. This would be such a great Give Back to Mother Earth. And for me it would be a Tree in Meherabad at the soil of my Eternal Beloved God Meher Baba. Blessings to the people who came up with this ingenious idea for us to live beyond time in its true sense even on Earth. Can we imagine what would it be if we all Will to leave this Earth behind and become a tree instead of a slab of stone or dust and ashes, and thus end up contributing even after we leave this Earth?

MRF MBCC SaathSHALA - Meherabad Ahilyanagar - March 2022

With the love of Beloved Avatar Meher Baba and the mutual vision of dear Baba Lover Charles Joseph Massa (lovingly known as Jesse Masaji), our Hon. Head of Rural Projects, Education, and Agriculture, Meher Roshani Foundation set up the *Meher Baba's Children Centre* in March 2022. The Centre was launched on 12th March 2022 with the distribution of T-shirts, family rations, hygiene kits, stationery, colors, and coloring books to 20 children. A second-hand laptop was gifted to the Centre, allowing the children to enjoy Baba videos, songs, poems, and educational cartoons.

The children receive extra tutoring, healthy snacks, hygiene support, yoga, and computer-based learning in playful ways to complement their studies at the local Marathi school. They were also provided with new clothes, bags, sandals, stationery, art books, toys, puzzles, two tricycles, and a baby scooty. Daily, they are served milk, dry fruits, and nutritious food for energy, and sometimes ice cream to beat the severe Meherabad heat.

The Centre is run by two qualified local teachers and six caregiver ladies, supported by our Hon. Heads from the international Baba Lover community. Volunteers regularly visit to teach Baba songs and share stories in Hindi, Marathi, and English. Our dear Baba Lover Caroline O'Hagan, Hon. Head for Rural Projects - Wellness and Environment, conducts yoga sessions twice a week, nurturing both body and spirit.

This initiative reflects our mission to combine education, nourishment, and spiritual grounding, ensuring that every child shines with confidence, joy, and the love of Baba.
